

Terms & Conditions

Effective: December 31, 2023

These Terms and Conditions (“T&Cs”) set forth the terms and conditions that Roadie, Inc. (collectively, “Roadie,” “we,” “us,” or “our”) require you (“You,” “Your,” “Yourself” or “User”) to accept and agree if You want to download, install, access or use the Roadie platform (the “Roadie Platform” or the “Platform”). These T&Cs apply whether You access or use the Roadie Platform via our website at www.roadie.com (“Website”), any associated application, including Roadie SmartSort (each an “App”), and/or API. These T&Cs, including such other terms, conditions, obligations, and documents as are referenced or linked herein, constitute a legal agreement among You, Roadie, and the other Users of the Platform. By accessing or using the Roadie Platform in any manner, You are acknowledging that You have read and understand these T&Cs and voluntarily agree to be bound by them.

As used in these T&Cs, the word “Sender” refers to any entity or individual who forms an account on the Roadie App and/or who has a written agreement with Roadie to access and use the Roadie Platform to crowdsource independent service providers to perform delivery services (“Delivery Services”), or for whose benefit Delivery Services are being performed. Similarly, a “Driver” is any entity or individual who forms an account on the Roadie App as a Driver and/or otherwise performs Delivery Services, including at the request of, or for the benefit of, a Sender. The time period in which Delivery Services are performed by a Driver, as well as the item(s) of personal property and goods being picked up and/or delivered by a Driver, are collectively referred to herein as a “Gig.” A “Block” is a pre-scheduled amount of time to deliver Gigs only from a specific sender or zone for guaranteed earnings. An “Earnings Guarantee” is the minimum amount you’ll earn in exchange for each Block. A “Recipient” is any entity or individual who receives a Gig or items contained in a Gig. All Users of the Roadie Platform, including Drivers and Senders, are referred to collectively as “Users” herein.

Roadie reserves the right to modify these T&Cs or any of our policies relating to our Platform at any time, effective upon posting of an updated version of the T&Cs on our Website and/or on our App. You are responsible for regularly reviewing any updates to the T&Cs. Accessing or using the Roadie Platform after any updates to these T&Cs shall constitute Your consent to all changes made to the T&Cs in such update and Your affirmation of Your agreement to the updated T&Cs as a whole, whether or not Roadie provides You prior notice of such modifications.

I. THE ROADIE PLATFORM

Our Platform provides Senders with self-enabled Logistics Services via one or more of Roadie’s proprietary Apps and APIs, including the ability:

- to crowdsource independent service providers to provide Delivery Services and to

- receive electronic real-time tracking and photographic proof of pickup and delivery;
- to access individualized account dashboards to schedule and manage Gigs;
- to upload Gigs in bulk to be batched into consolidated Gigs using Roadie's proprietary algorithm; and
- to sort multiple Gigs into batches using Roadie SmartSort™.

The Roadie Driver App also enables Drivers to search for Gigs, receive notifications of, and access to, requests for Delivery Services placed by Senders on the Platform, and the ability to offer to perform those Delivery Services and/or schedule Blocks.

Roadie provides Roadie Services and Drivers provide Delivery Services. Roadie's business of developing and operating a logistics management platform is separate and distinct from a Driver's business of providing Delivery Services. However, as the context requires, the Roadie Services and the Delivery Services may be collectively referred to herein as the "*Services*."

ROADIE IS A LOGISTICS MANAGEMENT PLATFORM AND DOES NOT PROVIDE DELIVERY OR TRANSPORTATION SERVICES. ROADIE IS NOT A MOTOR CARRIER.

DRIVERS ARE INDEPENDENT SERVICE PROVIDERS WHO CHOOSE TO USE THE APP IN ORDER TO RECEIVE ACCESS TO SENDERS' REQUESTS FOR DELIVERY SERVICES AND DO NOT PERFORM DELIVERY SERVICES FOR ROADIE.

II. TERMS APPLICABLE TO ALL USERS

User Agreements, Representations and Warranties

Every time You access or use the Roadie Platform or receive or perform Services, You expressly agree, represent and warrant that, at the time of each such access or use:

All Users should feel safe and welcome, and Roadie does not tolerate any discriminatory conduct from Users.

Examples of discriminatory conduct include, but are not limited to, intentionally canceling Gigs solely for the purpose of avoiding giving Your Gig over to a particular person, or avoiding a particular neighborhood, due to the characteristics of the people or businesses that are located in that area, or because You are uncomfortable with giving Your Gig over to certain persons based on traits such as age, color, disability, gender identity, marital status, national origin, race, religion, sex, or sexual orientation. Engaging in discriminatory conduct may lead to Your deactivation from the Roadie Platform.

Respect Others Policy

You agree that You will not stalk, intimidate, threaten, harass, cause physical or mental distress, or otherwise display any aggressive, confrontational, intimidating, threatening or harassing behavior

toward or against any User, Roadie personnel, Recipient, or other third party, including without limitation:

- Disrespecting personal space and/or privacy, like standing unnecessarily close, or commenting on personal appearance, perceived gender identity, sexual orientation, or asking unrelated personal questions.
- Failing to respect others may lead to Your deactivation from the Roadie Platform.

Keeping the Roadie Community safe, friendly and helpful for all means that all Users of our Platform have a responsibility to treat each other and all third-parties they encounter while using the Platform with respect and dignity.

ANY USER FOUND TO HAVE VIOLATED THE NON-DISCRIMINATION POLICY OR RESPECT OTHERS POLICY WILL LOSE ALL ACCESS TO AND USE OF THE ROADIE PLATFORM

Confidential Information

When using the Roadie Platform to receive or perform Services, all Users may have access to the Confidential Information of third parties, including without limitation, that of Roadie, Drivers, Senders, and/or Gig Recipients as well as that of those third-parties' respective personnel, contractors and customers. "Confidential Information" means all information, whether oral or written, and whether contained on electronic media or otherwise, to which a User is given or has access to, or is made available to the User in connection with their use of the Platform, including without limitation names, addresses, telephone numbers and any other information which may be used to distinguish or trace an individual's identity, either alone or when combined with other personal or identifying information that is linked or linkable to a specific individual ("*PII*" or "*Personally Identifiable Information*"), and health information protected ("*PHI*," and "*Protected Health Information*") under the Health Insurance Portability and Accountability Act ("*HIPAA*").

It is important to recognize that non-PII can become PII whenever additional information is made available — in any medium and from any source — if, when combined with other available information, it could be used to identify a specific individual.

- You agree that if You instruct a Driver to hold items in a Gig overnight, Roadie will have no liability for theft, loss or damage to any such items, under the Protection Plan or otherwise.

Indemnification by Senders

You hereby agree to release, indemnify, defend, hold harmless, pay directly or reimburse upon demand Roadie and its parent, subsidiary and/or affiliated companies, as well as its and their past and present successors, assigns, officers, owners, directors, agents, representatives, attorneys, and employees ("*Roadie Indemnitees*") and Drivers, from and for any and all third-party liabilities, losses, damages, fines, civil penalties, settlements, judgments, costs and expenses (including without limitation reasonable attorney's fees and costs) ("*Losses*") incurred in connection with any judicial or non-judicial claim, action, demand, suit, or proceeding asserted by a third party (including governmental entities) (each a "*Claim*," and collectively, "*Claims*") arising directly or indirectly from, or as a result of or in connection with, Your or Your Personnel's (i) acts or omissions in using the Services or taken in connection with the performance of Your obligations under these T&Cs, (ii) breach of the Roadie T&Cs; (iii) violation of any Applicable Law or the rights of any third party, including, without limitation, other Users of the Roadie Platform, Gig Recipients, motorists, pedestrians and other third parties; and/or (iv) disclosing or using Confidential Information for any reason and in any manner except to receive Services hereunder as intended.

Cancellation of Gigs by Senders and Cancellation Fees

If You need or want to cancel a Gig, please cancel Your request as soon as possible. This will notify the accepted Driver and free them up to offer on and accept other Gigs from other Senders. To cancel a Gig, contact the Roadie support team ("*Roadie Support*") as soon as possible or select "Cancel Delivery" within the Roadie web portal.

Roadie may charge a Sender an additional fee ("*Cancellation Fee*") if the Sender cancels the Gig once a Driver has started to drive to the Gig pick up location, or if the Driver cancels the Gig because all items are not ready to be picked up upon the Driver's arrival at the Sender's pickup location, or the Sender did not provide an accurate pickup address, requested the wrong size vehicle, input the wrong dimensions and/or weight of items, and/or the Gig does not fit in the vehicle assigned, or the Gig contains a Prohibited Item. The Cancellation Fee is automatically charged to a Sender's account.

Returns of Gigs to Senders and Return Fees

After a Driver picks up a Sender's Gig, if the Driver is unable to deliver the Gig for any reason, or the individual at the delivery address refuses one or more items in a Gig, or one or more items in the Gig is lost, damaged or destroyed while in the Driver's custody ("*Undeliverable Product*"), Roadie shall

contact the Sender to notify them of such incident and, if the Gig is able to be returned, the Driver shall return such items to the Location as instructed by the Sender. If the return is not due to the fault of Roadie or the Driver, returns shall be at the Sender's expense. Returns Gigs are equal to the cost of the original Gig ("Return Fee") and is automatically charged to a Sender's account.

Open Box Policy and Packaging

Open Box Policy: Roadie encourages the use of no or minimal packaging both to promote sustainability and to prevent fraud and use of our Platform for illegal activities. When packaging is needed or desired, Roadie promotes and strongly encourages all Senders to use an Open Box Policy. An Open Box Policy means You should always leave packaging open so that a Driver can inspect the contents before taking a pick up photo and leaving with Your Gig. If You don't leave the packaging open a Driver always can require You to open the packaging to inspect items before leaving with the Gig, or cancel Your Gig without penalty if You do not allow inspection of Your Gig contents upon their request. Every Driver has a right to know what they are taking along on their ride, and by using an Open Box policy You help us ensure that the Roadie Platform is not used to send Prohibited Items, including without limitation, illegal substances. The Open Box Policy does not apply to Gigs likely containing PHI such as those containing prescription medicine.

Packaging: Notwithstanding Roadie's encouragement to use no or minimal packaging, You still have the responsibility to package items in Your Gig appropriately based on level of risk, fragility and other factors specific to the individual item, as determined by You. Roadie cannot know what packaging is necessary for any item You send. Please use Your best judgment when packing Your Gig as Roadie is not liable for loss or damage to any Gig if it is not properly packed to withstand the safety and integrity of the item during delivery or in compliance with all Applicable Law.

Roadie Protection Plan

Roadie wants all Senders to feel confident that their Gig is in good hands. With no extra fee, the Roadie Protection Plan provides Senders with protection against loss, damage or theft to items in eligible Gigs, up to \$100* of protection per Gig. IV. DRIVERS AND DRIVERS' RESPONSIBILITIES

Gigs and Driver Acknowledgements

After forming an account on the Roadie Platform as a Driver, You may be notified of available Gigs and/or Blocks which You may offer to perform or schedule. Nothing in these T&Cs or otherwise guarantees You will be notified of Gigs or Your offer to perform any Gig will be accepted or that you will be given access to the Block scheduler. Roadie has no control over the volume or type of Gigs that Senders send at any time, including during a Block, and You are not guaranteed to be paired with

any particular type of Gig or Sender during a Block or otherwise.

You are never under an obligation to offer to perform any Gig or to schedule any Block. You have the sole discretion to offer or not offer to perform any Gig or schedule any Block posted; provided, if Your offer is accepted, or You begin a Block, You are then contractually bound under these T&Cs to complete all Gig(s) you are paired with, as per the Sender's instructions and in accordance with the Sender Requirements (as defined below).

The real-time tracking and full photographic chain of custody features in the Roadie Platform are embedded and are integral to Your performance of Gigs in accordance with Sender Requirements. The Roadie Platform automatically sends prompts and notifications to You, provides real-time tracking and status updates to Senders and Gig Recipients during the performance of the Gig, sends copies of pickup and delivery photos to Senders, and gives Roadie Support the ability to communicate with You, Senders and Gig Recipients in order to facilitate the completion of the Gig as needed. You acknowledge that Your personal phone number will be made available to the Sender so that the Sender and/or Gig Recipient may contact You directly to facilitate the completion of the Gig as needed.

Roadie does not have the right to, and shall not, control the manner or the method of accomplishing any Gig to be performed by You. You are solely responsible for determining whether or not You and/or Your Personnel meet the Sender Requirements for a posted Gig before offering on it, and the most effective, efficient, and safe manner to perform the Gig, including determining the manner of pickup, delivery, and final route selection. You do not and will not have a supervisor or any individual at Roadie who supervises the performance of Your Gigs and You do not and will not be required to make regular written or oral reports to any person at Roadie with respect to the performance of your Gigs, and You will not receive performance evaluations from Roadie.

Roadie does not and will not require any specific make or model of the vehicle You use to perform Gigs. Sender Requirements and Gig details set forth any requirements for the vehicle to be used by You to perform the Gig. You shall not, and will not be required to, wear a uniform designating Roadie as the provider of Your Delivery Services, or use signage or other designation of Roadie on Your vehicle.

You acknowledge and agree that You are solely responsible for all costs and expenses related to Your use of the Roadie App and the performance of Gigs You choose to provide using the Roadie App, including without limitation, purchasing and maintaining:

YOU ARE RESPONSIBLE FOR CONSULTING YOUR INSURERS TO ENSURE THAT YOU HAVE INSURANCE THAT COVERS YOUR PERFORMANCE OF A GIG AND YOUR USE OF THE ROADIE APP BEFORE YOU OFFER TO PERFORM A GIG.

Sender Requirements

- Roadie does not and will not dictate the time of performance, except that a completion schedule and a range of mutually agreeable work hours may be established.
- Roadie will not pay Colorado Driver personally but will pay the Colorado Driver's trade or business name if given and Roadie does not and will not combine its business operations in any way with any Colorado Driver's business and maintains and will maintain such operations as separate and distinct.

To the extent there is a conflict between the above terms and these T&Cs, the above terms are to take precedence for any Colorado Driver.

Disclosure: Under Colorado law, an independent contractor is not entitled to unemployment insurance benefits unless unemployment compensation coverage is provided by the independent contractor or some other entity. The independent contractor is obligated to pay federal and state income tax on any moneys paid pursuant to this contractual relationship.

Service Animals

Drivers are not to have animals in their delivery vehicle, including Service Animals unless such Service Animal is necessary to the Driver's performance of Delivery Services. If a Driver must have a Service Animal present all Gig items must be kept in a separate container that provides protection from pet hair and dander. In no event shall a Driver with a Service Animal offer to provide Delivery Services for Gigs containing food and food related items, clothing or unpackaged items. *Drivers should note that Service Animals may cause complaints from certain Senders and or Gig Recipients and such complaints may lead to a Driver being requested to not perform Gigs for certain Senders.*

Driver Helpers and Driver Personnel

To the extent permitted by Applicable Law and a Sender and further subject to these T&Cs, a Driver may be accompanied by a "helper" ("*Driver Helper*") and/or may hire or engage others as employees or subcontractors (collectively "*Driver Personnel*") to perform a Gig.

Helpers: All Helpers must be essential to the completion of the Gig in accordance with Sender Requirements and be accompanied at all times by the Driver of the Roadie account that made the offer to perform the Gig.

Personnel: A Driver is not required to perform Gigs personally, but may, to the extent permitted by Applicable Law and subject to these T&Cs, hire or engage Driver Personnel to perform all or some of the Gigs a Driver is accepted on.

A Driver shall be solely responsible for the direction and control of any Driver Helper or Driver Personnel used to perform Gigs hereunder in accordance with these T&Cs and the Sender Requirements and shall be liable for all actions and omissions of its Helper or Personnel. in

performing Gigs, as if Driver was performing such Gigs directly.

A Driver has full and sole responsibility for the payment of all amounts due to Helpers and/or Personnel for Gigs performed on the Roadie Platform or otherwise, including all wages, benefits and expenses, if any, and for all required state and federal income tax withholdings, unemployment insurance contributions, and social security taxes. Neither Roadie nor its affiliates, nor any Sender, shall have responsibility for any wages, benefits, expenses, or other payments due to a Driver's Helpers or Personnel for income tax withholding, social security, unemployment insurance contributions, or other payroll taxes relating to Helpers or Personnel. Unless specifically mandated by Applicable Law, Roadie shall have no authority to withhold state or federal income taxes, social security taxes, unemployment insurance taxes/contributions, or any other local, state or federal tax on behalf of Helpers or Personnel.

Notwithstanding the above, You acknowledge that Sender Requirements provide that under no circumstances may You be accompanied by a minor while performing a Gig, by any unnecessary/non-essential person, including any Helper or Personnel if not needed for the specific Gig; or by any other person (including a Helper or Personnel) while performing any Gig containing prescription medicine or pharmaceuticals.

If You intend to use Helpers or Personnel, You must send notice thereof in advance to Roadie at helperpersonnel@roadie.com and will receive further direction.

V. ACTIONS LEADING TO TEMPORARY LOCKS OR PERMANENT DEACTIVATIONS OF USER ACCOUNTS

Without limiting any other of its remedies at law or in equity, Roadie, in its sole discretion, may temporarily lock Your account and initiate an investigation potentially leading to Your permanent deactivation if:

- You are suspected of breaching, or are credibly alleged to have breached, any of the T&Cs applicable to You, including any of Your User agreements, representations or warranties, or any of Roadie's other policies governing Your use of the Platform, including those set forth in Support Articles;
- we are unable to verify or authenticate any information You provide to us when using or receiving the Services;
- we believe that Your actions may cause financial loss or legal liability to any other User, Roadie, its affiliates, or its third-party providers;
- we suspect, we find, or it has been credibly alleged that You have engaged in, illegal, dangerous or harmful activity in connection with Your use of or access to the Roadie Platform, or in connection with Your receiving or providing Services, including theft of items in a Gig if You are a Driver or falsely claiming that a Driver committed theft of items in a Gig;
- You breach any of the policies set forth herein, including the Non-Discrimination Policy, Respect Others Policy, and Driver Fraudulent Use Policy;
- we receive a claim that items in Your Gig are missing or damaged;
- [Prohibited Items](#) are discovered in Your Gig;
- If You are a Driver and You cancel Your Gigs after acceptance without reasonable cause;
- If You are Driver and You are a "no-show" to pick up Your Gig or start Your Block without reasonable cause;
- You receive multiple complaints or low ratings, as a Driver or Sender; or
- You have not offered on a Gig if You are a Driver, or posted a Gig if You are a Sender, for 60 days or more.

A User's account will remain locked during the investigation of any incident or action for such time as Roadie determines is necessary, in its sole discretion. Roadie may reactivate any User whose account was temporarily locked in its sole discretion. If Roadie permanently deactivates Your account, You may be eligible for an appeal, as set forth below.

If You are a Driver and participate in Roadie Blocks any of the above actions may cause You to us Your access to the Blocks Scheduler and/or permanent deactivation. Removal from Roadie Blocks does not necessarily lead to permanent deactivation from the Roadie Platform,

YOU HEREBY GRANT ROADIE PERMISSION AND THE FULL RIGHT AND AUTHORITY TO FULLY INVESTIGATE AND PROSECUTE VIOLATIONS OF ANY OF THESE TERMS (INCLUDING ALL DOCUMENTS AND AGREEMENTS REFERENCED OR INCORPORATED HEREIN) TO THE FULLEST EXTENT OF THE LAW, INCLUDING INVOLVING, COOPERATING OR DISCLOSING YOUR PERSONAL INFORMATION TO INSURANCE COMPANIES, PURSUANT TO A VALID SUBPOENA, AND LAW ENFORCEMENT AUTHORITIES IN CONNECTION THEREWITH.

WITHOUT LIMITING OUR OTHER REMEDIES, WE MAY WITHHOLD GIG PAYMENTS, LIMIT, LOCK OR DEACTIVATE YOUR USER ACCOUNT, PROHIBIT ACCESS TO THE PLATFORM, APPS, WEBSITES, AND THEIR CONTENT (INCLUDING YOUR OWN), SERVICES AND TOOLS, DELAY OR REMOVE HOSTED CONTENT, AND TAKE TECHNICAL AND LEGAL STEPS TO PREVENT ANY USER FROM ACCESSING THE PLATFORM, APPS, WEBSITES OR ANY PORTION THEREOF IF WE

BELIEVE THAT THEY ARE CREATING RISK OR POSSIBLE LEGAL LIABILITIES, INFRINGING THE INTELLECTUAL PROPERTY RIGHTS OF THIRD PARTIES, OR ACTING INCONSISTENTLY WITH THE LETTER OR SPIRIT OF THESE TERMS AND OTHER PUBLISHED ROADIE TERMS OR POLICIES.

Appeal Process

Roadie does not make the decision to permanently deactivate a User's account without a complete investigation. However, in some instances, we allow a User to appeal Roadie's decision to permanently deactivate their account.

We will not accept appeals for certain deactivation decisions related to "zero tolerance" violations, such as criminal or fraudulent activity while using the Platform or breaches of the Non-Discrimination or Respect Other Policies.

Because it is impossible to anticipate the full range of reasons that could result in the permanent deactivation of a User's account, ultimate determination of eligibility will be made by Roadie on a case-by-case basis. A User will be allowed only one appeal. All appeal decisions made by Roadie are final and not subject to further appeal.

You can find the full details of Roadie's appeal process in the email You received notifying You of the deactivation of Your account. If You believe Your deactivation is eligible for an appeal, please submit Your appeal by following the instructions in Your deactivation email.

Deactivated Accounts

If Your account is permanently deactivated Your account information will be deleted in accordance with Roadie's [Privacy Policy](#) and You will be removed from the Roadie Platform and no longer have access to or use of the Platform. Permanent deactivation will cause You to lose Your username and persona as well as any privileges, certifications, badges or other earned items associated with Your account. If Your account was not deactivated for cause, You may open a new account on the Platform. It will be considered a material breach of these T&Cs if a User who has been deactivated for cause, opens a new account on the Platform and such new account will be deactivated without notice or right to appeal. Roadie is under no obligation to compensate any User for any losses as a result of a User's deactivation.

ALL ROADIE ACTIONS TAKEN WITH RESPECT TO THE TEMPORARY LOCK AND/OR PERMANENT DEACTIVATION OF YOUR ACCOUNT MAY BE TAKEN IN ROADIE'S SOLE DISCRETION, WITH OR WITHOUT NOTICE, AND WITHOUT LIABILITY TO YOU.

VI. BILLING AND PAYMENT

Under these T&Cs, Roadie is not and will not be a party to the agreements made between Users for Delivery Services using our Platform, including the Sender's agreement and responsibility to pay the Driver therefor. In order for Roadie to facilitate payments to be made and received for Delivery

Services hereunder, all Users of our Platform are required to provide to Roadie their credit card or bank account details and such other information needed to vet the User by the Payment Service Provider retained by Roadie (the “PSP”). By accepting these T&Cs, each User agrees that they have downloaded or printed, and reviewed and agreed to the PSP Agreement. Please note that Roadie is not a party to the PSP Agreement and has no obligations or liability to any User under the PSP Agreement.

Payment Processing

Payment processing services are provided by Stripe and subject to the Stripe Connected Account Agreement (available at <https://stripe.com/legal/connect-account>), which includes the Stripe Services Agreement (available at <https://stripe.com/us/legal>) (collectively, the “*Stripe Terms*”). By using the Roadie Platform to pay for Gigs or receive payment proceeds, all Users agree to be bound by the Stripe Terms, which may be modified from time to time. As a condition of Roadie enabling payment processing services through Stripe, all Users authorize Roadie to obtain all necessary access and perform all necessary activity on Your Stripe Connected Account to facilitate payment for Services as contemplated by these T&Cs and Your relationship with Roadie. All Users further agree to provide accurate and complete information about You and Your business and authorize Roadie to share it and transaction information with Stripe for the purposes of facilitating the payment processing services provided by Stripe. Roadie reserves the right to switch payment processing vendors or use alternate or backup vendors in its discretion.

Instant Pay

Drivers may elect to receive payments through Roadie’s Instant Pay feature (which Roadie may offer to You in its sole discretion). If You elect to use Instant Pay, You acknowledge that You will be charged a fee for this service as disclosed by Roadie prior to Your election. You understand that Your financial institution may not support Instant Pay, neither Roadie nor Stripe makes any guarantee concerning how quickly Instant Pay payments will settle with Your account, and not all payments through the Roadie Platform are eligible for Instant Pay. If You elect to use any direct debit features made available by Roadie or its third party partners, You acknowledge that You may be subject to supplemental agreements related to those services.

Billing

Senders are responsible for paying for each Gig contracted for, which will include (i) the pricing terms of the Gig provided to a Driver, (ii) reimbursement of documented tolls and parking fees incurred by Driver in connection with the Gig (if such Sender has agreed to reimburse for the same), (iii) any Cancellation or Wait Fees, as may be applicable to the Gig, and (iv) any other fee Roadie may assess for use of its Platform (combined, the “*Gig Payment*”). Unless otherwise agreed by Roadie, any fees that Roadie may charge a User for their use of the Roadie Platform (including to receive or perform any Services), are due immediately and are non-refundable. This no refund policy shall apply at all times regardless of Your decision to terminate Your usage of our Platform, our decision to terminate

Your usage of our Platform, disruption caused to our Platform or the Services either planned, accidental or intentional, or any reason whatsoever. Roadie reserves the right to change pricing at any time and any pricing information published on the Roadie Website may not reflect the current pricing.

Taxes

Users of the Platform will be liable for any taxes (including VAT, if applicable) required to be paid because of the User's use of or access to the Roadie Platform or receiving or performing any Services or on any Gig Payment received (other than taxes on the Roadie's income).

Payment, Withholding and Release

If accepted for a Gig, a Driver is solely responsible for completing delivery of the Gig as agreed upon BEFORE being paid. Roadie, in its sole discretion, may place a hold on a Driver's Gig Payment if the delivery of the Gig is not provided expressly in accordance with the Sender Requirements and any other directions set forth in the request for Delivery Services, and these T&Cs, and/or Roadie determines it otherwise necessary or advisable to place a hold on such Gig Payment, including without limitation if Roadie has any suspicion or reason to believe that a Driver or Sender has breached these T&Cs or any Applicable Law. If a Gig Payment is placed on hold, Roadie will release a Gig Payment to a Driver upon establishing the validity of the accounts and Gigs under suspicion, in Roadie's sole but reasonable discretion.

Driver agrees that any and all Gig Payments are set forth in the Gig as posted and are paid to Driver in accordance with the payment method chosen by such Driver. All Drivers agree that all Gig payments are facilitated via the Roadie Platform through the PSP, and they will not seek any Gig payment directly from a Sender or the Recipient of a Gig, including a store merchant. Driver hereby waives any and all right to commence any action for a Gig payment directly from a Sender or a Recipient on the Roadie Platform.

Reimbursement for Parking Fees and Tolls

Parking fee and toll reimbursement is voluntary and not mandatory and not all Senders reimburse Drivers for parking fees or tolls incurred while performing Delivery Services for them. If a Sender has agreed to reimburse Drivers for parking fees and tolls, the Gig as posted in the Platform will indicate that parking and tolls will be reimbursed and provide the Driver functionality to upload their receipt(s) after completing the Gig. Receiving reimbursement of parking fees and tolls is subject to the following restrictions:

- All receipts must be submitted individually **PER** Gig.
- All receipts submitted for reimbursement **MUST** be submitted via the app or to Roadie Support and **MUST** include the Gig ID.
- A Driver will be reimbursed for parking fees and tolls incurred by the Driver **ONLY** during the performance of the Gig. This includes only those parking fees and tolls incurred after

pickup of the Gig and before drop off of the Gig. To be clear, any parking fees or tolls incurred by a Driver on the way to pick up a Gig or incurred after the drop off of a Gig are **NOT** reimbursable.

- Receipts for parking fees and tolls (or other adequate evidence of payment of the same) must be submitted to Roadie **within fifteen (15) days** of the Gig incurring the expense.
- Parking fees and tolls incurred performing a Gig will be reimbursed **ONLY** if the Driver uploads a legible, genuine and unaltered receipts evidencing payment of such fees or tolls.

Receiving reimbursements for parking fees and tolls presupposes You have already paid those fees and tolls. Reimbursements are reviewed and processed in the order received and neither Senders nor Roadie guarantee that any Driver will be reimbursed for such costs within any period of time and will not be responsible for any late fees or penalties imposed on a Driver for not paying amounts due for tolls and parking when and in such amounts as are required by applicable law.

Gratuities

Senders and Recipients may give gratuities to Drivers and Drivers shall retain 100% of any gratuity paid. Notwithstanding the above, Driver acknowledges that once they offer to perform a Gig, they have agreed to perform the Gig for the amount set forth in the request for Delivery Services. Any decision to give additional gratuity or further compensation is completely voluntary and Driver agrees that they will not and will ensure that their Helpers and Personnel do not, ask for or insinuate any obligation for additional compensation or gratuities from any Sender or Gig Recipient.

Unexpected Costs

Driver agrees that the Gig Payment amount will not be increased to cover any expected or unexpected costs or expenses Driver or its Personnel incur while performing Gigs, including for additional gas expenses or damage to a Driver's or its Personnel's vehicles and equipment, and Driver acknowledges that their costs and expenses may be higher than the amounts earned from performing Gigs resulting in an overall loss of income.

Mobile Terms of Service

Roadie mobile message services ("*Mobile Services*") offered through the Roadie Platform are provided by third-party vendors. Your agreement to these T&C also constitutes your agreement to these Mobile Terms of Service ("*Mobile Terms*"). We may modify or cancel the Mobile Services or any of its features and/or change our third-party vendor(s) without notice. To the extent permitted by applicable law, we may also modify these Mobile Terms at any time and your continued use of the Mobile Services following the effective date of any such changes shall constitute your acceptance of such changes. These Mobile Terms may also be revised by changes to the platform of any third-party vendor that We may currently use. By consenting to these Mobile Terms, you agree to receive Mobile Services, including recurring SMS/text messages from and on behalf of Roadie through your wireless provider to the mobile number you provided. If your mobile number is registered on any state or federal Do Not Call list, but you then opt-in to our Mobile Services, then you are agreeing to receive text messages and supersede your prior decision to be placed on the Do Not Call list.

Text messages may be sent using an automatic telephone dialing system or other technology. Service-related messages may include updates, alerts, and information (e.g., order updates, account alerts,

etc.). Promotional messages may include promotions, specials, and other marketing offers (e.g., notification of new Gigs and/or opportunities in Your area if You are a Driver). You understand that you do not have to sign up for texts in order to use the Roadie Platform, and your consent is not a condition of using the Roadie Platform and your consent is completely voluntary.

We do not charge fees for any Mobile Services, but You are responsible for all charges and fees related to SMS/text messages imposed by your wireless provider. Message frequency varies. Message and data rates may apply. Check Your mobile plan and contact Your wireless provider for details.

You may opt-out of receiving text messages at any time by texting the single keyword command STOP in reply to any text message received or click the unsubscribe link (where available) in any text message to cancel. You'll receive a one-time opt-out confirmation text message. No further messages will be sent to your mobile device, unless initiated by you. If you have subscribed to other Roadie mobile message programs and wish to cancel, except where applicable law requires otherwise, you will need to opt out separately from those programs by following the instructions provided in their respective mobile terms. To get help, you can visit our Support Page.

We may change any short code or telephone number we use to operate our Mobile Services at any time and will notify you of these changes. You acknowledge that any messages, including any STOP requests, you send to a short code or telephone number we have changed may not be received and we will not be responsible for honoring requests made in such messages.

The wireless carriers supported by the Mobile Services are not liable for delayed or undelivered messages. You agree to provide us with a valid mobile number. If You get a new mobile number, You will need to sign up for the program with Your new number.

To the extent permitted by applicable law, You agree that we will not be liable for failed, delayed, or misdirected delivery of any information sent through the Service, any errors in such information, and/or any action you may or may not take in reliance on the information or Mobile Services.
